Gate, and Conductive Interconnect Structures"
Our File No.: MI22-532
Your File No.: 96-0532

Dear Klaus:

Enclosed is a complete copy of the above patent application, together with a Declaration, Assignment, and Power of Attorney by Assignee. If the application correctly presents the invention, please see that the Declaration and Assignment are signed where indicated. Please be reminded that, according to PTO rules, an inventor's signature on the Declaration must appear *exactly* as it is typed. Should the application require revision, please contact me.

Our patent laws require that the application be filed in the PTO within one year of the first public or commercial use of the invention, its first disclosure in a printed publication, or the first offer of a product of the invention for sale. Any such events should be called to my attention.

Also, everyone involved in filing a patent application has a duty to disclose pertinent background information (prior art) on the invention to the PTO. We are required to disclose all prior art that the PTO might consider

pertinent in valuating patentability of the invention. Failure to do so can jeopardize the validity of an issued patent.

Please call if you have any questions.

Very truly yours,

D. Brent Kenady
